1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a water and sewer customer of Carolina Water Service, Incorporated in the Maple Grove subdivision in Lexington, SC. I am considered part of the "I-20" water system, am a "Water Distribution Only" customer, and a standard sewer customer.

The rates through water rates to be charged in the water distribution system. I should be charged only for the gallons of water used and not for the water used in the water distribution system. The rate charge should be to the water distribution system.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

This is an unreasonable rate hike. Many people (me) are on a fixed income. To require this large an amount would certainly be a hardship.

The billing process you use is awful! Inconsistent & getting not in a timely manner.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \* (This section should be completed.)

I do not wish to appear.
